- (2) When the second burial takes place, there is an option to extend the exclusive rights for 10 years from the date of that burial.
- (3) All burial and ash plots, as well as trees, require markers which have to be purchased at time of payment for service. If a memorial tree is purchased as a standalone item, a memorial marker must also be purchased.

- (4) Apart from the plot reference, all lettering on stone markers will be charged for. The current cost is £2.40 per letter. Repainting of letters, if required, can be arranged for an additional charge (price on application).
- (5) All ash interments and anything that does not involve a funeral director must be paid in full prior to the interment without exceptions, unless probate or a guaranteed payment can be obtained.
- (6) No memorial item of any kind may be installed or erected. Any memorial items left will be removed immediately.
